EASTERN POWER DISTRIBUTION COMPANY OF ANDHRA PRADESH LIMITED
Corporate Office::Visakhapatnam::CIN:U40109AP2000SGC034117

Memo.No. CGM/Comml/EPDCL/VSP/GM/C/F.336022/D.No. I/571672/25 ,Dt: 15 . 02.2025.

Sub: APEPDCL – Comml – VSP – DISCOMs – BRAP 2024 – “Mandate to include sustainable water use practice while granting electricity connection in existing buildings” –Circular – Issued – Reg.

Ref: Lr.No.INC02-21021/62/2023-EODB/2267489 dated 18.11.2024 from Commissioner, Industries & Commerce Department.

1. Vide reference cited above, the recommendations under Business Reform Action Plan Plus (BRAP+) 2024 were communicated to this Department for implementation and compliance.
2. BRAP 2024 recommends inclusion of sustainable practices such as Rainwater harvesting and Solid waste/ Bio-sludge management as mandatory requirement for availing utility connection in existing buildings. The inclusion of such practices is a step towards ensuring uniform adherence to sustainable practices.
3. Further, the Andhra Pradesh Building Rules, 2017 mandated new buildings to incorporate Sustainable Practices such as Rainwater harvesting and Solid waste/ Bio-sludge management as mandatory requirement for issuance of Building Permits.
4. In view of the above, it is mandated that any electricity connection or load enhancement / reduction shall permitted; provided based on building permit issued by competent authority as described in para (3)
